## INFORMATION DOCUMENT FOR THE TO REGISTRATION OF PREMISES AND FOR A LICENSE TO GROW AND / OR SELL PROTECTED OR UNPROTECTED FLORA

**I, the applicant, hereby declare that I take note of and understand:**

- That the onus is on me to acquaint myself with all legislation pertaining to the growing, selling, transport and possession of protected and unprotected flora.
- That the onus is on me to acquaint myself with all legislation pertaining to the international trade (import / export) in protected and unprotected flora and that additional permits (e.g. CITES and/or Dept. of Agriculture) may be required.
- That the onus is on me to verify the current conservation status of any flora species that is in my possession or are to be acquired / cultivated / sold prior to such possession / acquisition / cultivation or sale on the SANBI Red List of South African Plants at <http://redlist.sanbi.org/> and/or <http://www.iucnredlist.org/> and/or <https://www.cites.org/eng/app/appendices.php>.
- That a registration certificate to grow and / or sell protected and unprotected flora does not authorise me to possess, cultivate, acquire by any means or trade in endangered flora.
- That the onus is on me to ascertain whether any additional permits or authorisations are required from other local / provincial and / or national authorities (e.g. municipal approval, permits from the National Department of Environmental Affairs to propagate or trade in listed alien and invasive species etc.)
- That I may only grow and / or sell protected and unprotected flora on or from registered premises.
- That I can apply for permits at my nearest CapeNature regional office.
- That any permit / license has an expiry date and that the onus is on me to apply for the renewal of my license to grow / sell protected or unprotected flora at least ninety (90) days prior to the expiration.
- That I must have the necessary license and / or permit in my possession prior to commencing any activity with any specimen of protected and unprotected flora.
- That a registration certificate does not authorise me to grow / sell / harvest protected or unprotected flora or the seed thereof without a valid accompanying license and / or permit.
- That it is an offence to commence any activity with protected or unprotected flora without being in possession of a valid permit or license authorising that particular activity.
- That I must keep an invoice book in which the following information is specified: a) my full name and address, b) the full name and address of the buyer / receiver, c) the number and expiry date of my license to sell protected flora and d) the species name and quantity of each species which is being sold or donated.
- That I can be held responsible for reimbursement of the costs incurred by CapeNature to conduct an inspection if the minimum requirements for a permit / license are not met.
- That, in the case of repeated offences or failure to comply with permit conditions, it may lead to the cancellation of permits / licenses and/or the withholding of future permits / licenses.
- That, in the case of an offence regarding the specimen(s) contained in this application, the specimen(s) may be confiscated / seized by CapeNature.
