

21 NOVEMBER

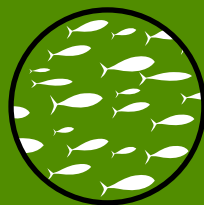

# World Fisheries Day

Be a responsible fisher and consumer - help sustain our fish stocks.

## ALWAYS:

Make sure you have a fishing permit or licence if needed.

Check the population status of fish before fishing, buying or eating them (SASSI).

Report illegal activity.

Prevent pollution – do not litter.

## YOU NEED A FRESHWATER ANGLING LICENCE IF YOU ARE:

Over the age of 6

Fishing in public waters, such as rivers and state-owned dams (e.g. Theewaterskloof and Clanwilliam dams), but not for privately owned farm dams, where no licence is required.
